

Transportation Update

Lynchburg District
December 2015

List does not include locally administered projects

Buckingham County

Route 20 over Slate River

UPC: 95931

Estimated Cost: \$9.5 million

Stage: Under construction

Project Manager: Renard Yeatts
434-856-8258

This project will replace the bridge and approaches over Slate River. The project was awarded to Allegheny Construction Company of Roanoke. The new structure will be built on new alignment, allowing the existing bridge to be used during construction and to avoid additional impacts to motorists.

The project is slated for completion in November 2017.
